### **National Teachers' Training Programme 24-26 August, 2022**

Teachers' training is an essential part of any teaching-learning process. It refreshes teachers' skills and abilities to perform in an improved manner. It buffs up their classroom management abilities, subject knowledge, and teaching methods. With the help of the Teacher Training Program, teachers can learn new ways for keeping their classroom and teaching methods modern, stirring, and highly knowledgeable.

In order to improve the quality of teaching, CUST in collaboration with Englishers LLL International, is going to conduct a Teacher Training Programme for College Level Teachers with the following objectives:

- to become familiar with up-to-date teaching methods/ techniques
- to know how to deal with classroom challenges
- to understand how to put theories into practice
- to increase trainees' self-confidence in teaching
- to communicate more effectively in the class
- to make proper use of instructional facilities
- to become aware of all types of assessment strategies
- to comprehend the individual differences of a child

#### **Role of CUST**

CUST will look after all the necessary arrangements required for this training. It will provide the venue, handouts, tea, and lunch to all the resource persons and participants. The training course will be advertised on different social media platforms by CUST.

### **Role of Englishers International**

The role of Englishers is to provide Resource Persons to conduct this training. Certificates for the participants will also be arranged by the Englishers LLL International.

### **Participants**

The participants of this training will be the teachers teaching at the College Level. The teachers must have a Master's degree in English Linguistics/Literature or ELT to attend this training.
